FOR IMMEDIATE RELEASE

NEW PATRIOTIC PARTY ANNULS PURPORTED CONSTITUENCY EXECUTIVE ELECTIONS IN SOME SELECTED CONSTITUENCIES AND REFERS OUTSTANDING ELECTORAL DISPUTES TO THE ELECTORAL AFFAIRS COMMITTEE

The New Patriotic Party (NPP) has, with immediate effect, annulled the purported Constituency Executive Elections conducted over the weekend in certain constituencies on the grounds that the elections were conducted in flagrant disregard of Party directives, the Rules and Regulations governing the 2026 Constituency Executive Elections, and, where applicable, subsisting court orders.

This decision was taken by the National Steering Committee, at its meeting held on Wednesday, 15th July 2026, to, among other matters, review the conduct of the Constituency Executive Elections held across the country over the weekend.

The constituencies in which the purported elections have been annulled are:

1. Bantama
2. Afigya Sekyere East
3. Adansi Asokwa

The National Steering Committee has also summoned the Ashanti Regional Steering Committee to appear before it on Tuesday, 21st July 2026, to account for the circumstances surrounding the conduct of the elections in the affected constituencies.

Additionally, the committee has referred the election issues related to Asante Akyem Central, along with all other unresolved constituency election disputes, to the Electoral Affairs Committee of the National Council for their advice and recommendations.

The Party wishes to assure all members that it remains firmly committed to upholding the rule of law, ensuring strict compliance with its Constitution and Regulations, and preserving the integrity, credibility, and transparency of its internal democratic processes.

Thank you
